Beauty Recipes

Let's try a couple of the ingredients using the DIY facial recipes below.

Business Tip: Always be sure to have a disclaimer for your customer.

Cleanser:

- 1) Oatmeal is perfect for cleaning your skin and closing big pores.

Simply mix equal parts of warm water and dry oatmeal in a small bowl. It should look like a paste. Gently rub it on your face. Let it sit until it dries and then rinse.

Moisturizer:

- 2) Honey is an awesome moisturizer. Simply put some honey on your face. Leave it on for 20 minutes. Rinse with warm water.

 **Beauty Tip:** To make sure you are not allergic to the ingredients above test them on your arm to see if you have a reaction. Honey is not vegan or cruelty free product. If you wish to use another moisturizer try one of the oils from the Cheatsheet such as sweet almond oil.

DIY

COTTON CANDY

LIP SCRUB

👄 Sugar -n- Spice & Everything Nice

We added our own special blend and we packed our lip scrub in a cute cotton candy container. Perfect for party favors and gifts.

What to Do Now

Mix the following oils in a small bowl:

1 Tablespoon of coconut oil
A few drops of cotton candy flavoring oil (optional)

Then in the same bowl add in 1 tablespoon of sugar and a little honey. Mix the ingredients together. Be sure not to stir too much. You do not want the sugar to dissolve.

For a pink tint add some pink mica. (optional)

Challenge #3

Look at the beautiful picture you just colored now let's put it to good use. How? By putting together the two challenges, the cheatsheet, and checklist to create a product.

And for my Gloss Boss I hope you paid close attention to the lips because now I need you to name the color you chose to use on the lips. Not into lip gloss? Not a problem. After you are done with the questions, please use the Day Designer Business Planner for a quick, easy, and pain-free way to plan and thorough look into your company.

What is the name of your product? What kind of product is it?

CORE ELEMENTS WORKSHEET

There's an easy equation for understanding your core: Values + Passions + Strengths = Your Core. Each of these three elements is a different facet to your personality. You will use your passions to stay excited and engaged in life; you will use your strengths to help you build relationships and career(s); you'll use your values to motivate yourself and help make decisions. The intersection of these three elements is your core: a snapshot of you. There's no wrong way to fill out this page. For the passions section, think about the things that make your heart sing. For the strengths section, think about things that you enjoy doing, or that people tell you you do well. For the values section, think about the things that matter most to you.

 *Dream Tips* 

Now that you had some inspiration let get into the steps to build a business from the bottom up without money:

Step 1

Set your goals by looking into the future to see what people will need and then come back to the present and implement it.

Step 2

Analyze your business, see if it is worth going into. (Will you make a least \$5,000 a month and how long will it take you?)

Step 3

Visualize where you want the business to be.

Step 4

Develop and invest time into your business. (Whether it's investing time in marketing, promotions, relationships, etc.)

Step 5

Get a community of the right people to help.

Step 6

Continue to develop and invest in the business. You will begin to see the business working and successfully making money even though it's not a business yet. (At this point you may have to use other people's resources and money, but just make sure they are getting something out of it.)

Step 7

Do perfect work to your ability and help the people that are helping you.

Step 8

Once the business is up and running watch the spending.

Step 9

Stay ahead of schedule and do follow ups.

Step 10

Be consistent with contact information before making business cards.

Step 11

After the business is successful teach others and hire people.

We are coming to the end of this gift bag so
now it is time to take care of you with my

ENCOURAGEMENT

"I can do all things through Christ who strengthens me." Philippians 4:13

"If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and will be given to you." James 1:5

"And my God will meet all your needs according to the riches of his glory in Christ Jesus." Philippians 4:19

What do you believe?

**We are a faith-based company so we would like to share the plan of salvation to you.
Follow the information below and be blessed.**

Romans Road

Romans Road to Salvation – It's Simple

Read:

o Romans 3:23

o Romans 3:10-18

o Romans 6:23

o Romans 5:8

o Romans 10:9

o Romans 10:13

o Romans 5:1

o Romans 8:1

o Romans 8:38-39

Say this Prayer:

"God, I know that I have sinned against you and am deserving of punishment. But Jesus Christ took the punishment that I deserve so that through faith in Him I could be forgiven. With your help, I place my trust in You for salvation. Thank You for Your wonderful grace and forgiveness - the gift of eternal life! Amen!"

This prayer has now declared you to God and that you are relying on Jesus Christ for your salvation. The words themselves will not save you. Only faith in Jesus Christ can provide salvation!
